- **JCAMP:** is a six day intensive, journalism training for high school students. Students learn from professional journalists and get hands-on training in writing, reporting, photography, television and radio broadcasting, online media and data journalism. Sessions and workshops are led by experienced journalists from top media companies. JCamp is an all-expenses-paid program with travel, meals and lodging covered by AAJA's donors and partners. Applications are due by March 25. Click the Link to apply:
  https://aaja.wufoo.com/forms/jcamp-2018/
- **Construction Camp:** Meet and work with construction professionals in a unique PAID experience. Applications are in the Career Center.

OHSU Rehabilitation Student Assistant Program: Oregon Health & Science University has created a volunteer program to offer observation hours to prospective students of rehabilitation careers (Physical Therapists, Occupational Therapists and Speech Language Pathologists). These volunteer and observation experiences can be used to strengthen applications for persons pursuing rehab health professions. Typically students should be 18 years old when they are participating, but exceptions can be made if parent permission is obtained. **See the career center for more information**.

- **Bench Repair Technician**openings, in which we usually require 2+ years of experience, however the Bench team is willing to train the right person who is willing to learn and is also a good fit with our company. We are looking for someone with a mechanical or electronics understanding wanting to grow their career with Cook.
- **Part-time** work for students who are good with heavy items, opening boxes, assembling some small lamps and tables perhaps, and moving stuff around a warehouse (on 6th and Belmont). and here at the property at 9th and Burnside... all very close to the school. Can pay $15 an hour, mostly likely cash or direct pay, no withholding. and would be part time in April.
  Contact Miranda Ryan for more information.
