Benson Parents/Guardians

Welcome!! Can you believe that we are now starting another school year. For those of you who don't know, my name is Curtis Wilson Jr. and I am the Principal of Benson Tech about to embark on my 4th year at the helm of the Mighty Techsters. I am so excited about what this new school year can bring to Benson Tech and I hope that you and your kids share in the same enthusiasm. This first Parent Newsletter of the school year will be brief as I will begin to add more information into the newsletter as the school year progresses. If you are a social media buff please follow Benson on my twitter handle @BensonTechPride. You can also get up to date information on all things Benson by going to our website at www.bensonhs.net. Please note that on our webpage you can access our daily bulletin, read archived Parent/Guardian newsletters, access our school calendar and a host of other cool things to help keep you in the loop with Benson Tech.

Please come out and support our athletic events this week as the Volleyball team has a game on Tuesday at Wilson High School at 6:30pm and then a huge Volleyball showdown with the Lincoln Cardinals here at Benson Tech on Thursday at 6:30pm. Benson's Men's Soccer team will be playing Sandy in a Soccer match on Thursday here at Benson Tech at 6pm. The Benson Football team which has been reinstated back to the varsity level will be taking on Milwaukie High School this coming Friday at 7pm at Milwaukie High school. Please come out and help support the mighty Techsters onto victory.

Parents please be sure to help us get your kids to school on time as classes will be starting at 8:15am sharp. If your child is trying to eat breakfast here at school then he/she will need to be in the building no later than 8am.

I look forward to a wonderful school year and I hope to meet many of you throughout the school year in various settings supporting Benson Tech. Let's have a great first day of school and Go Tech!!

Principal Wilson
