Upcoming Career

9/20/18 Match your personality to a career workshop

9/27/18 ZGF Career Day

10/4/18 Resume Workshop

Please see below for more events

How to Stay Informed

To get the most current career opportunities, text @CCINFO to 81010. You will receive a text message any time there is a job opening, or new career opportunity. Another way to get the most current information is to check out the Career Website: <https://goo.gl/VSSnpW>. The website has information about personal learning requirements, apprenticeship connection, as well as, job opportunities.

Personal Learning Requirements:

All students need to complete two Career Related Learning Experiences (CRLE). These are completed when students participate in a career exposure event and reflect on that experience. If your student needs to complete one, the links are available below:

Requirement 1: [CRLE Link #1 \(Google Form\)](#)

Requirement 2: [CRLE # 2 \(Google Form\)](#)

Requirement 3: Resume-

Students are also required to complete and submit a resume. This is usually completed in US History and submitted to the Google Classroom. There are several workshops throughout the year that help student prepare a resume and ace an interview.

Requirement 4: My Plan Response (Seniors Only)-

There are three questions that students will answer on a word or google document. Once finished, upload to the 2019 Google Classroom :

1. Explain your career aspirations and your educational plan to meet these goals. Clearly articulate both short and long term goals and describe the interests, skills, and experiences that helped you develop your post-high school plan.
2. Explain how you have helped your family or made your community a better place to live. Provide specific examples and include what you learned from these experiences. How did these experiences help to inform your post-high school plan?

3. Describe a personal accomplishment and the strengths and skills you used to achieve it. Consider your growth during your four years in high school. How will this experience serve you in your future?

Career Exposure Opportunities:

Medical professions mentorship Program (Mentors will talk about the program on Monday during lunch in the Career Center)

Who are we?

The American Medical Women's Association (AMWA) at Portland State University (PSU), are a group of individuals focused on the empowerment and improvement of women in medicine and healthcare related professions.

Program structure:

Students will be grouped in a cohort of 3-5 individuals and will be assigned an AMWA PSU mentor. They will meet once a month to discuss their personal and educational goals, aspirations and how to overcome any challenges. The meetings every month will be 2 hours, and will consist of a small lecture followed by an interactive session, and/or a workshop. Students will also be given mentors email, so that they will be able to answer any questions on week's that they do not meet. Each workshop will be age appropriate, and available for the school to view and confirm if required. The mentorship program is a school-year commitment for the mentors, and the students beginning in September and ending in May/June. Students who are not graduating that year are able to re-apply for the mentorship program for the next year. At the end of the year students will present a leadership project that they have been working on the last 9 months. This project is open to their choosing and they will have their PSU AMWA mentor to use for guidance.

Mentee requirements:

A high school student interested in the field of healthcare and medicine

Career Readiness Scholars Train:

This is a six-week training that builds work-related skills. After completion of this program, students will qualify to apply for Summer Works as well as get regular notices for job openings.

First Group -October 2th, 2018 Registration Link <https://tinyurl.com/y843s47l>

Volunteer Opportunities :

Fitness is our theme this month; for self, parks and community. We have lots of rewarding activities where you can share a skill or learn a new one, outdoors, in fresh air. Our projects meet most school service requirements and are good corporate team building exercises. If you know a likely volunteer, connect us so we can discuss opportunities. Steve.pixley@portlandoregon.gov 503-823-5121.

Ways to Help in September!

- Love you Park Days @ Arbor Lodge! September 8 and October 13. Keep this park green with hand weeding. You'll meet some great neighbors. Stop by at 9:00 AM or contact steve.pixley@portlandoregon.gov.

- Restore the Johnson Creek Watershed Restore Portland's natural resources to provide "nature in the city" for people and wildlife alike to enjoy. Volunteer alongside your fellow community members to accomplish this goal together! Everyone welcome, and different abilities can often be accommodated—if you have questions about ability-appropriate events, contact susan.hawes@portlandoregon.gov

September 15: SOLVE Beach & Riverside Clean-up @ Errol Heights Park

- 5K Fun Runs Near the finish line! Only two left. September 16 at Westmoreland Park and October 14 at Delta Park. race for free. Contact steve.pixley@portlandoregon.gov

- Yard Tree Giveaway for all Portlanders! Urban Forestry is giving away over 400 trees at 2 events this fall and needs Sign up now to join the tree giveaway team!
