HOW TO STAY INFORMED

To get the most current career opportunities, **text @CCINFO to 81010**. You will receive a text message any time there is a job opening, or new career opportunity. The other way to get the most current information is to check out **the Career Website: <https://goo.gl/VsSNpW>**. The website has information about personal learning requirements, apprenticeship connection, as well as, job opportunities.

PERSONAL LEARNING REQUIREMENT

All students need to complete two Career Related Learning Experiences (CRLE). These are completed when students participate in a career exposure event and reflect on that experience. If your student needs to complete one, the links are available below:

Requirement 1: CRLE Link #1 (Google Form)

Requirement 2: CRLE # 2 (Google Form)

Requirement 3: Resume-

Students are also required to complete and submit a resume. This is usually completed in US History and submitted to the Google Classroom. There are several workshops throughout the year that help student prepare a resume and ace an interview.

Requirement 4: My Plan Response (Seniors Only)-

There are four questions that students will answer in a word or google document. Once finished, upload to the 2020 Google Classroom

Google Classroom: To find out more information about Personal learning Requirement, sign into your google classroom.
