For an appointment call: 503-849-1603

Who is Eligible: We provide free urgent dental care (extractions and fillings) to people without dental insurance, who are low income and vulnerable populations, but we will not turn away a patient with emergency needs with no alternative options for care.

Social Distancing: Patients will not enter the building but will be screened for COVID symptoms in the parking lot, and will then go to a check-in tent.

Cost: We provide urgent dental care *free of charge*.
