#### **PPS Successful School Survey (Deadline Approaching)**

Dear Parents/Guardians,

Please take a moment and participate in our District wide Successful Schools Family Survey. Your responses will help PPS and the Benson Tech Administration team understand your experiences regarding the climate and culture of the school and we will use this information to set goals and plan for next year. The survey will cover topics on school safety, school climate, barriers to family engagement, and how well Benson Tech fits your student's needs. Please be honest and thoughtful, and take your time to read and respond to the questions. This survey is critical to PPS and Benson Tech as we continue to grow, learn and adapt to make sure Benson Tech is supporting the needs of all students and staff within the building.

Please visit the link below on a computer, tablet, or smartphone and select Benson Tech as the school utilized by the survey. Choose the language that you are most comfortable with in taking the survey from the drop down menu and proceed. This survey is only available from February 8th to March 19th 2021. If you do not have access to a computer or internet, please contact the school office so that we can provide a way for you to take the survey as we do have hard copies available as well.

Families will go to <a href="http://surveys.panoramaed.com/portlandor/ppsfamily">http://surveys.panoramaed.com/portlandor/ppsfamily</a>

Families will see a drop down list of all PPS schools and will select Benson Tech and complete the survey.

Families members will hit the blue "Submit" button to enter/submit their survey. Please note that if you do not hit the blue "Submit" button your responses will not be saved.

Thank you so much for your time and feedback!

# A Message from Benson's Construction Department

Building Construction needs to sell our supply of end grain cutting boards that we were not able to sell due to the Tech Show being cancelled last year. Off of the horseshoe parking lot the door to E110 will be open and we will have end grain cutting boards, little lending libraries, and other student made projects for sale. See attached photos. We will have this 'store' open Wednesdays in March only from 1-3 PM. We can accept cash, check or card through School Pay. Most cutting boards are priced close to either \$25 or \$45, depending on size, the little lending libraries are \$50. Lumber prices have more than doubled in the last year, and we need to convert this inventory into fresh material for our students next year. If you have any questions you can contact Luke or Dave at <a href="mailto:lhotchkiss@pps.net">lhotchkiss@pps.net</a> or <a href="mailto:dketah@pps.net">dketah@pps.net</a>, or follow our <a href="mailto:lnotchkiss@pps.net">lnotchkiss@pps.net</a> or <a href="mailto:dketah@pps.net">dketah@pps.net</a>, or follow our <a href="mailto:lnotchkiss@pps.net">lnotchkiss@pps.net</a> or <a href="mailto:dketah@pps.net">dketah@pps.net</a>, or follow our <a href="mailto:lnotchkiss@pps.net">lnotchkiss@pps.net</a> or <a href="mailto:lnotchkiss@pps.net">dketah@pps.net</a>, or follow our <a href="mailto:lnotchkiss@pps.net">lnotchkiss@pps.net</a> or <a href="mailto:lnotchkiss@pps.net">dketah@pps.net</a>, or follow our

# **AP Exam Registration (Please See Attachment)**

AP exam registration for second semester classes is now open. Please see the AP attachment for specific instructions on how to register. It is important to follow the instructions exactly as written to avoid a \$40 late fee payment. If your student took an AP class in the fall, and you still want to register, you can at this time, you'll just need to pay a \$40 late fee. The registration deadline is March 2. The fee waiver deadline has passed.

#### FREE CREDIT RECOVERY PROGRAM AT BENSON TECH

Hello Benson Tech Students,

I am sure many of you know who I am, but in case you don't my name is Daniel Garcia. I am the Instructional Facilitator and Freshmen Success Team Lead at Benson Tech. Starting on Tuesday February 16th, we will begin a program allowing those students who need to make up previous credits for courses they did not successfully complete. This program is free and is available to all students and grades. Our credit retrieval program process is rather easy. After signing a completion agreement, students will begin working on their course(s) online in CANVAS. A mentor will be assigned to you to support your needs, as well as, any questions you may have as you work through your course material. Once you complete your course(s), a teacher within that subject area will grade the work and determine your final grade. Lastly, a grade change form will be sent to your counselor and your grade will be changed. If you have more than one course to retrieve the credit for, you will continue working until all of your credit retrieval courses are complete. The teachers, administrators, and support staff at Benson want nothing more than for you to succeed and graduate. We will do all we can to support you and your educational and career goals. Please contact me so we can get you back on track. I'll be waiting to hear from you.

# A Message from our Wellness Center Coordinator & Social Worker Caroline Bleckmann

Dear Benson Families,

Here are two new resources in the district for families concerned about their child's substance use:

One -the PPS Substance Use Supports Team is starting drop-in hours for families that will be offered bilingually in Spanish and English. This is a space for parents, families and caregivers K-12 to drop-in and ask questions, get support, find out about resources and brainstorm with staff and other parents ideas for helping their students. The space will always be staffed with a minimum of one Spanish speaking clinician. English Flyer Spanish Flyer

Two - <u>Six Week Family Support Group</u> - Student Success & Health is working with Vital Space Counseling to co-facilitate a group for parents and families who are concerned about their teen's (6th-12th grade) substance use? Families can gain support, understanding, and tools to help them interact with their child in a way that increases connection and encourages change. The Invitation To Change Group is a 6-week mini course using evidence-based approaches, including CRAFT, that teaches parents and guardians how to understand and invite the process of change and communicate better with their child. Currently, this group is only being offered in English, but we are completing training and updating the curriculum so we can offer the same group in Spanish to families after Spring Break.

# A Message from the BHS Attendance Office

We encourage students to attend on a regular basis. Studies show that missing more than one day per month can actually lead to poorer grades and contributes to dropping out of school.

Naturally, we understand that there are occasions that a student must miss a school day. When this happens it is important for you to contact the school to let us know the reason for the absence. Please remember to communicate directly with the attendance office if your student will be absent for any period of time during the school day. The best ways to let us know are, in order of school preference:

Send an email to the attendance office at <a href="mailto:benson-attendance@pps.net">benson-attendance@pps.net</a>
Call the attendance line directly at 503-916-5109
Call the school main office number at 503-916-5100 - Select option 3
Send a note via your student excusing the absence

Always remember, we need the STUDENT NAME, ID# (if known) and REASON FOR THE ABSENCE. (Saying it is an excused absence does not give us the reason, please be specific) The Attendance Office will check messages and emails at 7:30am and throughout the school day. The attendance phone line is continuously busy throughout the school day. An email provides a written message directly to the attendance office. The attendance office can excuse previous absences up to three days after the absence occurs. After the three days, corrections cannot be made.

You can monitor your child's attendance through ParentVUE. Contact the school if you do not know how to access ParentVUE.

Please continue on the next page......

# A Message from the BHS Attendance Office

If you do not communicate with the school, we cannot properly record your child's absence. If you have any questions regarding your child's attendance do not hesitate to email or call the attendance office. Please help us, help your student have a successful year here at Benson Tech.

With the advent of distance learning, there are some questions that have arisen. I am finding that the majority of questions regarding attendance are addressing asynchronous classes. The following is an explanation of how this and other attendance calls could be avoided.

Asynchronous days are not live sessions with the instructor. There are various ways your student can contact the teacher for attendance purposes.

They log on and just check in with the teacher.

They contact the teacher by emailing if they have any questions or need assistance with the assignment.

They complete the posted assignment and turn it in. The assignment cannot be turned in late to count toward attendance. While they may receive credit for turning it in late they would still be counted as absent if they don't contact the teacher in another way.

Their parent may email the attendance email at <a href="mailto:benson-attendance@pps.net">benson-attendance@pps.net</a> to leave a valid reason for the absence (illness, appointment, etc.)

If you get a call saying your student has missed a period, I would correspond with the classroom teacher directly. I will always need authorization from the classroom teacher to correct an absence. By contacting the teacher directly, they can send me an email for a quick correction. This is also important because the State of Oregon mandates that I may not make corrections to attendance more than three school days prior to the current school date.
