Testing Announcements

For all Juniors please note that SAT testing will be April 13th, 2022. The test will be here at Benson Tech on the Marshall Campus. If you plan on taking the test here at Benson Tech you do not need to do anything. All registration will be handled through the school and is automatic for all Juniors.

If your student would like to know what's on the test they can review the information on the link here [college board What's on the test.](#)

And if they would like to do some prep for the test please note that Khan academy has test prep for the SAT here [Khan Academy SAT test prep](#)

Please feel free to email me if you have any questions about the SAT test.

A Message Regarding Outdoor School

January 2022

Hello Outdoor School Contacts,

We hope that you had a nice winter break.

This spring we are hoping to run in-person programming at our multiple Outdoor School sites and we will need a lot of high school student leaders.

In order to be a student leader, the high school student will need to register each session and be fully-vaccinated, also most schools require student leaders to be at least a sophomore, junior or senior.

We have just opened the spring Outdoor School registration. If a student has any trouble registering, or has made a mistake, they can email me or call 503-257-1600 and I will fix the mistake on my end.

I have sent an email to students who had registered this fall, but please let other students in your school know that they can register at signup.4ods.org .

If you are interested in having posters to hang at your school, you can download and print from the link provided or let me know how many and I will mail them to you. We also hope to be able to recruit at the high schools if this is allowed.

Link for printing posters with dates: <https://www.mesdoutdoorschool.org/sl-recruiters.html>

Please continue on the next page.....

A Message Regarding Outdoor School Continued

When the student registers, an email will be sent to their parent and another to you for school approval. Once we have those two approvals, we will email the student with the dates of the online workshops. They must attend a workshop each session. **Students will not be invited to a workshop without approval from you.**

After attending one online workshop, they will be sent an email to sign up for their preferred week and select the team / site that they would like to work with. They will also receive a packet with forms to get signatures from all their teachers, a parent/guardian and their counselor, before they can participate.

The dates for spring session are;

Week 1- April 3-8

Week 2- April 10-15

Week 3- April 17-22

Week 4- April 24-29

Week 5- May 1-6

Week 6- May 8-13

Week 7- May 15-20

Week 8- May 22-27

Please let me know if you are no longer the Outdoor School contact, and it would be great if you could let me know who the new contact will be.

We hope to see you at one of our sites this spring.

Internship Opportunity: NWF Strategies is a political consulting firm that utilizes technology and traditional political outreach techniques to help candidates win elections across the country. Nick Hess is a dynamic, tech savvy, pragmatic business owner who has a common sense vision to improve Oregon to cut taxes, reduce regulation, and make Oregon safer for everyone.

Nick is looking for politically-minded and passionate students to join his grassroots internship program to support his campaign. The internship program provides a valuable opportunity for students to learn about local politics and government mixing learning, with practical experience, and networking opportunities.

Interns will be exposed to:

- canvassing
- phone banking
- social media outreach,
- policy research
- opposition research

Interns will receive full training for all campaign activities, and the program itself is very flexible with a minimum of 5 hours a week that can be fulfilled at any time throughout the week. Interested students can learn more about our internship program or meet with Nick or a representative of the campaign by emailing info@nwfstrategies.com.

ZAP Program:

Paid internship at the **Oregon Zoo**. The ZAP program, Zoo Animal Presenters, is a three-year internship for youth ages **15-16** with a focus on recruiting teens of color and marginalized teens. ZAP members create and provide programming on zoo grounds for community-based organizations, explore zoo careers through informational sessions and job shadows, explore local natural areas, and learn about animals, the outdoors, and conservation.

The ZAP program provides training and mentoring with a positive youth development approach. This is a great opportunity for youth who have an interest in conservation, working with children and/or animals. We are especially looking for the youth of color and bilingual applicants.

ALL applications are due by January 25th, 2022 at 5 pm Applications can be mailed to the zoo, scanned, and emailed or youth can complete an online application using these links.

New for the 2021-22 School Year

All PPS students eat breakfast and lunch for FREE. Students will receive 1 breakfast and 1 lunch per day. Menu information, along with allergy and carbohydrate counts can be found at www.pps.net/nutrition

Benson is a CEP school for the 2021-22 school year and we are not allowed to process lunch applications for CEP sites because all students enrolled at CEP sites automatically qualify for free meals and are eligible for a letter they can use for discounts such as sports fee waivers, bus passes, etc without an application. If a family has students at other schools that are NOT CEP or if your student transfers to a NON-CEP school you can apply here: <https://www.schoolcafe.com/pps>, if you want a copy of a letter for your Benson students you can request one here: mealbenefits@pps.net.

Households financially impacted by the Coronavirus (COVID-19) may be able to qualify for The Supplemental Nutrition Assistance Program (SNAP). SNAP offers food benefits to eligible, low-income individuals and families. Find out if you are eligible and how to apply for food benefits by clicking [here](#).
