

# Free Urgent Dental Clinics

## Who is Eligible:

We provide free urgent dental care (extractions and fillings) to people without dental insurance, who are low income and vulnerable populations, but we will not turn away a patient with emergency needs with no alternative options for care.

## Social Distancing:

After Check-in, patients wait in their vehicle until they are invited to board the mobile dental clinic. There is no indoor waiting room.

## Cost:

We provide urgent dental care *free of charge*.
