

Benson Polytechnic High School Alumni Association

Date: May 27, 2022

To: All Seniors

From: Rob Johns, Chair, Class of 1977

RE: Invitation to Join the Alumni Association for Free

We the alumni of Benson Tech, wish to extend a heartfelt congratulations to the graduating Seniors. You will be one of us, a proud group of Benson Tech Alumni looking forward to helping the school for many years to come.

In this offer, we provide 4 years of free membership to the Alumni Association (normally \$20 per year dues) Our website is www.bensontechalumni.org. We are advocates for such key areas as expanded enrollment, expanded curriculum, and a soon to be renovated High School building. We also offer the opportunity to participate in areas of advocacy to all alumni as well as social gatherings around Scholarship Committee, Boosters, Tech Show, School Cleanup Days, Summer Alumni/Community Picnics and support to Class Reunions. You will also have the opportunity to network with fellow alums who may be of assistance in your careers, now or in the future.

Just provide your email address at the www.bensontechalumni.org website (go to the site and click on Join Us) and we will put you on our emailing list and recognize you as a member. Think of our Newsletters as a way to stay up to date with Benson Tech and nearly a replacement for Mr Wilson's Sunday evening weekly Newsletter about all things Benson Tech.

Best,

Rob Johns, Chair, Benson Tech Alumni
Class of 1977
